

**BURNETT STATE COLLEGE**

# **STUDENT RESOURCE SCHEME 2026**

## **YEARS 11 AND 12**

This letter includes important information about the fees and inclusions for the SRS. If you opt in to the SRS, your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school, this information will assist you in making a decision as to whether you wish to participate in the SRS.

### **What is provided by the Queensland Government?**

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The SRS helps parents to source these resources. The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

The types of resources that will be included are:

**Owned by the student (Perm)** – e.g. student diary – once provided, these items are retained by the student and used at their discretion.

**Hired to the student for a specific duration of time (Temp)** – e.g. textbooks or musical instruments – these items will need to be returned to the school in reasonable condition at the end of the hire period or if the student leaves the school.

**Used in class (Perm)** – e.g. stationery, timber, material, workbooks – these items will be used in class. Finished products that are created from these resources will generally come home with the student.

### **Items specifically excluded from the Scheme**

- Stationery items (excluding subject specific items as per lists)
- Protective clothing where required
- School activities that enhance the Curriculum (i.e Arts Council performances)
- School activities, such as selected school excursions, camps, formals and enrichment activities.

### **The Fee**

The fee varies from student to student and is determined based on the subjects chosen.

If you are not satisfied that the SRS fee represents good value for money based on the inclusions (over the page), you may choose not to participate in the SRS. If that is the case, please complete a new Participation Agreement Form, indicating that you no longer wish to participate. If you choose not to participate, you will be provided with a detailed list of resources that you will need to provide for the student.

### **The TRA**

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students.

For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation as shown in the table below. Thus the SRS invoice you receive will be the full cost of participation in the SRS minus the TRA already held at the school.

Please be aware that there may be two lines of charges on your invoice indicating the GST inclusive and GST exclusive fees depending on the resources supplied by the SRS.

## **MATERIALS NECESSARY FOR ALL SUBJECTS**

- Black, blue and red pens
- Pencils
- Eraser
- Sharpener
- Calculator (see below)
- 1 X A4 lecture pad for each subject
- Ruler
- Scissors
- Glue stick
- Highlighter
- ALL in a large pencil case
- USB Flash Drive
- Headphones/earbuds no microphone required.

All students will be required to have a Casio fx-82AU Plus II. These calculators have been designated as the calculator the school will use in all classes and year levels, as this will enable ease of instruction. The calculator will be suitable for use right through to the end of Senior and may be purchased through the school office (\$35.00) or privately. Please note if you currently own an Abacus SXII Matrixn calculator it is not necessary to purchase the Casio fx-82AUP/JS II.

Please Note: A Burnett State College Student Homework Diary is provided to each student on Day 1 of school.
