What a great start to the year for our Hospitality students!

Year 12's are researching different cultural foods getting ready for a 3 course multicultural banquet. They have so far researched, Chinese, Italian, Mexican and Greek foods. We have been loving breaking out and tasting new foods.

Year 11's are learning all about café culture. They are learning how to use the coffee machine and how to make café style foods in preparation of holding BSC's annual open café at the school for teachers and students to enjoy!

Year 9 and 10 are learning about sustainability in their unit. We have been making things from scratch and reusing, recycling and repurposing our waste. What a learning curve! We have made butter from scratch and then used buttermilk in our cooking. We also learnt why we don't drink buttermilk!

Year 7's have been learning some basic cooking skills. We have done breakfast, lunch and dinner foods, and now will be working on some healthy after school snacks before our Easter treats! We may also have a secret design project involving parachutes and eggs.... But shhhhhh... don't tell anyone!! Its...eggcellent!!!
